Business Endorsement

Our business stands with the Glenwood Springs Citizens' Alliance in opposing efforts by Rocky Mountain Industrials to expand the Mid-Continent limestone quarry on Transfer Trail.

We oppose RMI's proposed expansion because of the overwhelming negative impacts it poses to our community, our economy and our environment.

By signing this endorsement, I/we approve our business name to be listed on the LoveGlenwood.org website "Our Supporters" page.

Business name: _____

Business address: _____

Business telephone: _____
